Comment : Greetings... This e-mail is to ask for your help in getting fair and balanced media to our area. Specifically, we are unable to receive the signal from a local radio station WPVM and we live less than 8 miles from downtown Asheville, where their station is. We try to get their signal and most of the time, if we get anything at all, it is from a station from distant Tennessee.

We have gone to a few "gatherings" where WPVM has been a topic of conversation and we like the people who are organizing it and attempting to bring our area a more balanced radio format. Thank you for your considerations. Joe T. and Kathleen Kasben
